

Effective from: 1st of May 2025 • Published on: 30th of April 2025

Changes are marked with red underline by the Bank.

Amendments published on 30.04.2025 and entering into force on 01.05.2025.:

- Application of periodic preferential rates based on the bank's voluntary commitment

-Based on its own voluntary commitment, the bank will charge the lower fees included in the list of conditions effective from 01.02.2025, instead of the normal conditions included in this list of conditions, for the period from 01.05.2025 to 30.06.2026 - as a discount provided to its customers.

The Bank's voluntary commitment does not affect the Bank's right to modify the fees/costs included in this list of conditions, provided that the Bank will not enforce such possible modifications at the expense of the customers during the referred period.

'In case of any discrepancies between the Hungarian version of this List of Conditions and the present English text, the Hungarian version shall prevail.

The list of "Universal Terms and Definitions Related to the Most Typical Services of a Payment Accounts", which is attached to this List of Conditions, contains the common terminology for the most typical services related to a payment account. The list is published by the Bank on its website (www.unicreditbank.hu/padtajekoztato) and in its branches.

The marketed HUF bank account contracts included in this List of Conditions may also be concluded electronically, within the framework of distance selling, in accordance with Section I. 6 of the Retail Business Rules.

The condition for the reimbursement of the notarial deed's fee is that the invoice for the preparation of the fee can be issued to the name of the customer. The invoice must also show the number of the notarial deed (case number) and the registration number of the loan. If the contract is amended for any reason, the bank will not reimburse the customer for the costs of preparing a notarial deed. This promotional offer is valid until cancellation.

Definition of the Annual Percentage Rate (APR):

The Annual Percentage Rate (APR) is determined on the basis of the current conditions (in the case of a promotion, even for the period the promotion applies to, the regular interest published by the bank for the given loan type at the time of the publication) and in compliance with the effective legal regulations, i.e. Government Decree No. 83/2010 (III.25) on the definition, calculation and announcement of the Annual Percentage Rate. The APR can be modified if conditions change. The APR does not reflect the interest rate risk of the loan.

Overdraft

A representative example (without joint and several guarantee*): In the event of applying for a HUF 375,000 overdraft for a 1 year term the initial normal interest rate of the loan is 27.54%, variable. This calculation was prepared assuming that the total credit line will be withdrawn immediately and the crediting specified during the term will be completed, then the portion available from the credit line will be withdrawn each time; in this case, the annual percentage rate (APR) is 34.58%. Instalment amount: *HUF 8 606* which is the monthly interest rate calculated for the utilisation of the total credit line. For a loan applied for subject to the conditions specified here, the total amount repayable by the consumer is *HUF 487 767*; the total cost of the loan is: *HUF 112 767* (which contains only the transaction interest and *HUF 791* account handling fee).

A representative example (if a joint and several guarantee is offered*): In the event of applying for a HUF 375,000 overdraft for a 1 year term the initial normal interest rate of the loan is 11.75%, variable. This calculation was prepared assuming that the total credit line will be withdrawn immediately and the crediting specified during the term will be completed, then the portion available from the credit line will be withdrawn each time; in this case, the annual percentage rate (APR) is 12.40%. Instalment amount: *HUF 3 672*, which is the monthly interest

rate calculated for the utilisation of the total credit line. For a loan applied for subject to the conditions specified here, the total amount repayable by the consumer is *HUF 419 063*; the total cost of the loan is: *HUF 44 063* (which contains only the transaction interest and *HUF 791* account handling fee).

Definition of the Annual Percentage Rate (APR):

The Annual Percentage Rate (APR) is determined on the basis of the current conditions (in the case of a promotion, even for the period the promotion applies to, the regular interest published by the bank for the given loan type at the time of the publication) and in compliance with the effective legal regulations, i.e. Government Decree No. 83/2010 (III.25) on the definition, calculation and announcement of the Annual Percentage Rate. The APR can be modified if conditions change. The APR does not reflect the interest rate risk of the loan.

Overdraft

A representative example (without joint and several guarantee*): In the event of applying for a HUF 375,000 overdraft for a 1 year term the initial normal interest rate of the loan is 27.54%, variable. This calculation was prepared assuming that the total credit line will be withdrawn immediately and the crediting specified during the term will be completed, then the portion available from the credit line will be withdrawn each time; in this case, the annual percentage rate (APR) is 34.58%. Instalment amount: *HUF 8 606* which is the monthly interest rate calculated for the utilisation of the total credit line. For a loan applied for subject to the conditions specified here, the total amount repayable by the consumer is *HUF 487 767*; the total cost of the loan is: *HUF 112 767* (which contains only the transaction interest and *HUF 791* account handling fee).

A representative example (if a joint and several guarantee is offered*): In the event of applying for a HUF 375,000 overdraft for a 1 year term the initial normal interest rate of the loan is 11.75%, variable. This calculation was prepared assuming that the total credit line will be withdrawn immediately and the crediting specified during the term will be completed, then the portion available from the credit line will be withdrawn each time; in this case, the annual percentage rate (APR) is 12.40%. Instalment amount: *HUF 3 672*, which is the monthly interest

rate calculated for the utilisation of the total credit line. For a loan applied for subject to the conditions specified here, the total amount repayable by the consumer is *HUF 419 063*; the total cost of the loan is: *HUF 44 063* (which contains only the transaction interest and *HUF 791* account handling fee).
