The fees for transfers in the name of the customer, initiated by the customer against the bank account included in this list of conditions, but submitted via a payment service provider (third party service provider (TPP)) that provides payment initiation services, correspond to the transfer fees for the given account package via mBanking.

Each fee listed in the Bank's list of conditions is automatically adjusted once a year, effective March 1st of each year, by the annual average consumer price index (inflation) for the previous calendar year, as published by the Central Statistical Office (KSH) on its website. The Bank is entitled to apply, for business policy reasons, fee rates that are more favorable to the customer, notwithstanding to the automatic fee change. The Bank shall inform its customers of the fact of the change in charges and the revised level of the charges concerned by means of a notice and a list of conditions published on its website and in its branches at least 15 days before the change comes into effect.

<sup>\*</sup> The promotion is valid until 30.06.2026.

<sup>\*\*</sup> The Accounting item fee is charged for each transaction debited to the bank account in addition to the fee for the given transaction.\* The normal fee is 0,134 % of the transaction amount and a maximum of HUF 8079 .
