K1 VISA International (VISA) imposes the International Service Assessment fee after all transaction made with bankcards bearing VISA logo - in currency other than VISA settlement currency - outside VISA EU region. The rate of the fee is 1% of the value of the transaction according to the current VISA Operation Regulation. The fee is automatically included in the debited transaction amount.

K2 Due upon the next day after the first activation in case of application via CallCenter or of the homepage of UniCredit Bank

K3 Fee calculation method: the 0,1% of the total value of settled transactions occurred with the bankcard during the 12-month period prior due date. The amount above is the minimum amount, which is not charged by the Bank during the promotion period. The promotion period is valid until recalled. Calculating the card membership fee, the Bank will take into account new conditions effective from 04<sup>th</sup> of April 2018, in such a way that new membership fee will be calculated prorated for the period between effective date (9<sup>th</sup> of April 2018) and month of expiry. K4 The fee is due in the month of expiry, in the same month the first card have been issued, in case a new bankcard is issued during the year (instead of the expiry of the previous bankcard). The due date of membership fee is the first working day following the month of expiry per year, if there was no new card issued during the year.

K5 Service provided on ATM of UniCredit K6 The fee is not charged by the Bank during the promotion period. The promotion period is valid until recalled

K7 Service is available on appropriate UniCredit ATM's

K8 The daily limits can be modified after application according to the relevant provisions of Bank Card Terms and conditions and the List of Conditions. The limit amount has to be divided by 50.000 Ft. Daily internet purchase limit defines the maximum daily amount of purchase transactions made via internet, through virtual POS terminal.

K9 In case of standard fee calculation: modification fee between Standard limit and 500 000 Ft/day is 250 Ft/modification; above 500 001 Ft/day is 1.000 Ft/modification. The fee is not charged for raising limit up to HUF 150.000. Decreasing the limit is free of charge. Above the HUF 500.000 ATM daily limit the applicable limit period is maximum 1 week and based on Bank's individual decision. The limit will be set after 2 days from the application in the system

K10 Standard value – the account holder can define different value. ATM cash deposit transactions are not included in Daily frequency usage limit

K11 Limit for contactless transaction defined by International Card Organisation, and cannot be changed by the client. Limits are definable only in the case of Contactless cards

K12 In case of free of charge cash withdrawal – provided according to effective law – the due date of fee for non free of charge transaction is on the booking date of the transaction or the booking date of the second free of charge transaction.

K13 In case of application for PIN code reproduction concerning Visa bank card issued before 16<sup>th</sup> of November 2015, the Bank shall issue a replacement bank card with a new PIN code charging the fee of PIN code reproduction.

K14 In case of modification initiated via UniCredit Mobile Application the maximum value of limit can be 500.000 Ft in every cases (POS daily limit, Daily Internet Purchase limit, ATM cash withdrawal limit)

K15 Standard fee is charged by the Bank when Cardholder does not initiate replacement because of reasons described in 5.37 section of Bank Card Terms and Condition (card get out of the Card Holder's possession, card is lost, stolen or used in an authorized or unapproved manner.

K16 Internet Security Code (ISC) service: a service which is available to make purchase transactions executed with card via Internet more secure and allows the identification of the Card Holder on a higher security level. A secret string (security element) variable from transaction to transaction sent to the recipient of the service to the mobile telephone number (Notification number), which is stored as basic data of the Card Holder and can be modified in the registration system. Internet Security Code is being sent if a Card Holder uses his/her card registered for the service for a purchase transaction via Internet and during the card acceptance the Point of Acceptance uses the authentication method based on the Internet Security Code service on its virtual platform. In case of cards applied from 15<sup>th</sup> of January 2017 Service is automatically activated at the same time as card is activated.

Bank starts a scheduled activation of the service in case of those cards which were ordered before 15<sup>th</sup> of January 2018.
