Effective from: 15th of November 2022

Day of publication: 14th of November 2022

Promotion period: from 15/09/2022 until further notice, but no later than 31/01/2023

UniCredit Bank Hungary Zrt. (hereinafter: "Bank") is announcing a retail bank account management promotion for opening or applying for an account online.

The promotion is open to private individuals who:

- open a **Mobil Aktív Plusz or an Ikon Plusz account package on the Bank's online account opening platform during the promotion period** and **do not have** a retail bank account with the Bank on the day of online account opening and **have not had** such an account retroactively from 1 January 2022, OR
- **initiate the opening of a Mobil Aktív Plusz or an Ikon Plusz account package on the Bank's online account opening platform during the promotion period and open the account package at a branch within 30 days thereafter**, and **do not have** a retail bank account with the Bank on the day of online account opening and **have not had** such an account retroactively from 1 January 2022.

Participation in the promotion is automatic if the conditions are met, and does not require a separate declaration of participation or any other form of indication of the client's intent to participate.

As part of the promotion, the Bank **credits the monthly account-handling fee** to the private individual client in the month of account opening and for the subsequent 5 calendar months, **by the last banking day of the month following the debit**. (UDRI: 0.01%)

In addition to the above if, as part of the promotion, the client:

- applies for and activates a **Mastercard Standard debit card** for the Mobil Aktív Plusz account package or a **Mastercard Gold debit card** for the Ikon Plusz account package at the same time as the account opening, AND
- applies for and activates the **mobile application service** at the same time as the account opening, AND
- has regular monthly **income credited** to their Mobil Aktív Plusz account (minimum income credit of HUF 300,000), or to their Ikon Plusz account (minimum income credit of HUF 400,000),

as part of the promotion, the Bank credits the private individual client with an **additional one-time amount** to their bank account opened under the promotion by the last banking day of the 3rd month following the account opening.

The client has until the last calendar day of the 2nd calendar month after the online account opening to meet the relevant conditions. The client is entitled to a one-time credit of **HUF 20,000 for the Mobil Aktív Plusz account package and for the Ikon Plusz account package**, provided that the above conditions are met. The check of whether the conditions are met is carried out by the last calendar day of the 2nd calendar month following the account opening, and the one-time amount is credited by the last banking day of the month following the given month to the Mobil Aktív Plusz or Ikon Plusz account opened under the promotion. If the client fails to meet any of the conditions by the deadline, they are not eligible for the one-time credit.

If the online account opening of the **Mobil Aktív Plusz account package** or the **Ikon Plusz account package** or its initiation is **between 15.11.2022 and 01.12.2022**, and the conditions are met, then the **one-time credit amount is HUF 35,000** instead of HUF 20,000 as part of our **Black Friday promotion**.

If the client initiates the closure of their bank account during the promotion period, their eligibility for credit terminates, in respect of both the monthly account management fee and the one-time credit. The eligibility for credit also ceases if the client's bank account opened under the promotion is closed by the date of the credit.

The retail client participating in the promotion shall have no personal income tax or contribution payment liability, and no tax reporting or return obligations in relation to the credits.

UniCredit employee clients are not eligible to participate in the promotion.
