The money transfer fees initiated by the Client and held in the name of the Client to the debit of a bank account listed in the current list of conditions, but submitted through a payment service provider (third party provider (TPP)) providing payment initiation service, are identical with the transfer fees submitted through mBanking under the same account package.

¹ The Bank executes in-bank transfer orders between the accounts of the same Client free of charge – in case there is no any other disposal for bank accounts and savings accounts.

² Official transfer orders, credit transfers on the basis of a remittance summons and collection orders (collection based on a letter of authorization, bill collection) in case of full and partial completion, are also payment orders. Commission thereof depends on the method of submitting the order (electronic payment order or payment order in non-original form).

³ The fee of cash withdrawal on domestic ATM is different in case of Premium Banking Embossed Mastercard bank card, which is included in the effective Debit Bankcard List of Conditions for Private Clients.

⁴ The bank is providing the free of charge cash withdrawal and Cash-back according to 2009. year LXXXV. law 36/A §, and according to 53/2013 (XI.29.) NGM decree. The statement about free of charge cash withdrawal and Cash-back can be submitted - to only one payment account - by the owner of the account who meets the legal requirements. The statement can be submitted in Bank Branches or via SpectraNet Internet Banking or eBanking if the Client has got access to the service. If the Client is providing the debit card number on the statement for setting the free of charge cash withdrawal and Cash-back the bank will provide it for the account where the given debit card is set primarily. The Client is entitled to the free of charge cash withdrawal and Cash back in the given month if a valid statement is submitted until the 20th of preceding month. If a statement is submitted after the 20th of a given month, the free of charge cash withdrawal and Cash-back is provided to the Client from the second month following.

The Client is entitled for free of charge cash withdrawal primarily via ATM, while the Cash-back is only available from beneficiaries who provide the service in Hungary (Merchants) as part of the POS payment transaction. The Bank applies free of charge transactions in order to their actual date. If the total amount of transactions exceeds HUF 150 000 within the monthly first two cash withdrawal, or HUF 40 000 within the monthly first two Cash-back, then the % and maximum element of the normal transaction fee will be applied on the above part. For Cash-back service, the provisions of the Bank Card Terms and Conditions and the Debit Bankcard List of Conditions are always applicable. The Cash-back is linked to POS purchases. If the Client uses the free of charge cash withdrawal and Cash-back fraudulently or submits invalid data on the statement, the Bank – according to law – is entitled to charge the normal fees after free of charge cash withdrawals or Cash-back retrospectively in one amount on the Clients account
