1. Fees and payment turnover related to HUF bank account management for an effective bank account

The Basic Account (Alapszámla) package shall be provided by the Bank in accordance with the provisions set out in Government Decree no. 262/2016 (VIII. 31.) on access to basic accounts and the features and fees of basic accounts (hereinafter: Government Decree).

*These Special Conditions apply to HUF bank accounts and HUF payment transactions. **The rates not included in these Special Conditions and the period of unauthorised use of these Special Conditions as provided for in the account contract shall be governed by the fees for the Bónusz account package as indicated in UniCredit Bank's List of Conditions for Retail Clients.**

Once a year the Bank shall increase all fees specified in its lists of conditions by the annual average consumer price index for the year preceding the publication of the list of conditions concerned, as published by the Central Statistical Office (KSH), from which the Bank may deviate in favor of the customer.

The Bank is entitled to unilaterally change the fees indicated in this List of Conditions in accordance with the terms of the account contract, provided that:

- the monthly amount of the fees payable by the Account Holder under the account contract and set out in these Special Conditions (excluding the fees and charges of the account package payable under the conditions of the Bonus Account Package) may not exceed 1.5% of the lowest monthly gross minimum wage as defined in the Government Decree in force at the time, applicable on the last day of the year preceding the due date of the fee, and

- the Bank may not charge any fees or charges for purchases made by bank card, deposits made in the same currency as the currency of the account and direct debit transactions.

The fees for individual and standing HUF transfer orders and cash withdrawal transactions included in this list of conditions are debited until the 2nd working day of the month following the month in question. For due dates of other charges not included in this list of conditions, the conditions set out in the valid List of Conditions for Retail Clients and its annexes shall apply.

The money transfer fees initiated by the Client and held in the name of the Client to the debit of a bank account listed in the current list of conditions, but submitted through a payment service provider (third party provider (TPP)) providing payment initiation service, are identical with the transfer fees submitted through mBanking under the same account package.

¹ The monthly closing fee for the account may be maximum 0.5% of the lowest gross monthly minimum wage set by the Government Decree in force at the time, applicable on the last day of the year preceding the due date.

² The monthly closing fee will be charged for each month commenced.

³ The Bank does not charge commission on the Customer's transfer orders between his or her own accounts held with the Bank, unless otherwise provided for in the regulations for individual bank/savings accounts.

⁴ Four individual transfer orders executed in the same calendar month and an unlimited number of standing transfer orders, up to a maximum of one hundred thousand forints per month, are free of charge. In the case of individual transfer orders, the fees for transactions exceeding the number of units indicated above, and for individual/standing transfer orders exceeding the above limit, the fees for transactions exceeding the above limit shall be subject to the fees for the Bonus account package of UniCredit Bank's List of Conditions for Retail Clients in force at the time, projected to the amount of the difference when exceeding the limit. The Bank will take into account the fee exemption conditions for transactions executed on the basis of a transfer order based on the order in which the transactions are booked.

⁵ No fee is charged for withdrawals made in HUF in the same calendar month:

i) Cash withdrawals from an automated teller machine (ATM) located in Hungary on two occasions, up to an amount not exceeding HUF 150,000, OR

ii) one cash withdrawal transaction at a branch in UniCredit Bank's branch network up to HUF 50,000.

The fees of cash withdrawal transactions beyond the above indicated number of units and/or amount limits are subject to UniCredit's applicable fees for the Bónusz account package as indicated in the List of Conditions for Retail Clients; in case the amount limit is exceeded, it is projected to the amount of the difference. The Bank will take into account the fee exemption conditions for cash withdrawal transactions based on the order in which the transactions are booked.

After execution of an official transfer and a writ of payment, in case of full and partial completion, the Bank will charge a fee according to the List of Conditions for the Bonus account package, depending on the method of submission of the order (electronic order or paper-based order submitted using a non-original form).

The statement about free of charge cash withdrawal and Cash-back can be submitted - to only one payment account - by the owner of the account who meets the legal requirements. The statement can be submitted in Bank Branches or via SpectraNet Internet Banking or eBanking if the Client has got access to the service. If the Client is providing the debit card number on the statement for setting the free of charge cash withdrawal and Cash-back the bank will provide it for the account where the given debit card is set primarily. If a statement is submitted after the 20th of a given month, the free of charge cash withdrawal and Cash-back is provided to the Client from the second month following.

The Client is entitled for free of charge cash withdrawal primarily via ATM, while the Cash-back is only available from beneficiaries who provide the service in Hungary (Merchants) as part of the POS payment transaction. The Bank applies free of charge transactions in order to their actual date. If the total amount of transactions exceeds HUF 150 000 within the monthly first two cash withdrawal, or HUF 40 000 within the monthly first two Cash-back, then the % and maximum element of the normal transaction fee will be applied on the above part. For Cash-back service, the provisions of the Bank Card Terms and Conditions and the Debit Bankcard List of Conditions are always applicable. The Cash-back is linked to POS purchases. If the Client uses the free of charge cash withdrawal and Cash-back fraudulently or submits invalid data on the statement, the Bank – according to law – is entitled to charge the normal fees after free of charge cash withdrawals or Cash-back retrospectively in one amount on the Clients account.
