**Former titles of the Announcements: "Retail Announcement and List of Conditions – for Clients with a Premium Banking Account Package" and "List of Conditions and Announcement for Key Premium Banking Clients"**

**Effective from: 1st of February 2026 - Published on: 30 th of January 2026**

The standard terminology for the most typical services related to payment accounts is set out in the list of "Standardized terms and definitions related to the most typical services of payment accounts", which constitutes an annex to this List of Conditions. The list is published by the Bank on its website ([www.unicreditbank.hu/padtajekoztato](http://www.unicreditbank.hu/padtajekoztato)) and in its branches.

Amendments published on 30.01.2026 and entering into force on 01.02.2026. Changes are marked with blue underline by the Bank:  
-Increase in statutory fee-free forint cash withdrawal limit (from domestic ATMs)  
Amendments published on 30.01.2026 and entering into force on 01.04.2026. Changes are marked with green underline by the Bank:  
-Introduction of a cap on transfer fees.

**Based on its own voluntary commitment, the bank will charge the lower fees included in the list of conditions effective from 01.02.2025, instead of the normal conditions included in this list of conditions, for the period from 01.05.2025 to 30.06.2026 - as a discount provided to its customers. The Bank's voluntary commitment does not affect the Bank's right to modify the fees/costs included in this list of conditions, provided that the Bank will not enforce such possible modifications at the expense of the customers during the referred period.**

In case of any discrepancies between the Hungarian version of this List of Conditions and the present English text, the Hungarian version shall prevail.

This List of Conditions constitutes an inseparable annex to the General Business Conditions. Capitalised terms not otherwise defined in the List of Conditions carry the meaning defined in the General Business Conditions.

**Criteria for Premium Banking client status: (new customers signing a payment account contract from 01.08.2023 who are not yet customers of the Bank at the time of signing the contract):**

Premium Banking discounts/services are only available to our customers with Premium Banking client status. To obtain and maintain Premium Banking client status, your savings (deposits and securities, including current account balance) with our Bank must exceed HUF 17.5 million<sup>1</sup>.

The review of the fulfilment of the criteria for the Premium Banking segment is carried out on a calendar year basis, during which the Bank verifies that the criteria are effectively met by the customers. If, during the annual review, the average annual daily savings balance (1 January - 31 December) calculated as described above does not reach HUF 17.5 million, the Premium Banking client will be treated as a retail client from the next calendar year and will be subject to the Bank's Retail Conditions List. The change in the status of the client is not retroactive and does not constitute a unilateral amendment of the contract by the Bank, the terms and conditions of the investment and loan products under the contracts already concluded shall remain unchanged until the expiry of the contracts. After the change of status, the client may not benefit from the Premium Banking conditions.

**The criteria for the Premium Banking and Priority Premium Banking customer status segments for customers who have signed an account agreement before 01.08.2023 will not be changed:**

**Premium Banking customer status segment criteria:**

Premium Banking discounts are only available to our customers with Premium Banking client status. To obtain and maintain Premium Banking client status, you must:

- have savings (deposits and securities, also including the balance on current accounts) in excess of HUF 5 million<sup>1</sup> or
- receive payments by bank transfer of at least HUF 300,000 a month to their account with our bank (transfers between the client's own accounts are excluded)<sup>2</sup>

**Criteria for Key Premium Banking client status:**

This List of Conditions applies to clients with a Premium Banking Agreement signed at any time since 1 January 2010 and having at least HUF 30 million but no more than HUF 100 million in savings with UniCredit Bank Hungary Zrt., provided that they have concluded an agreement with the bank regarding the application of this List of Conditions. The Bank calculates the savings balance taking the following into account: cash balances on UniCredit bank accounts, term deposit balance (foreign-currency balances converted at the FX mid-rate quoted by the National Bank of Hungary as of the relevant date) and the current fair market value of the total closing balance, as of the relevant day, on any securities account held with UniCredit Bank.

This List of Conditions also applies to clients who received a letter from the Bank in January 2010 informing them that they have been allocated to the key premium banking client category. In the event of the termination of the agreement for the use of Key Premium Banking services, the Bonus account package conditions, which are set out in the bank's List of Conditions for Private Individuals, and the prevailing retail conditions will apply from the first day of the month following the month of termination.

The fulfilment of segment criteria is verified by the Bank every year; this involves checking whether the clients in fact fulfil the conditions. If the annual review establishes that the savings balance, calculated as described above, is below HUF 30 million, the client will be recategorised from key premium banking client status to either retail or premium banking client status, depending on their savings balance, and will be subject to the Bank's Retail List of Conditions. Such changes in a client's status do not have retroactive effect, and the conditions of investment and loan product contracts already concluded will remain unchanged, while account conditions will change when the bank has discharged its notification obligation under Act CCXXXVII of 2013, and the client will no longer be eligible for key premium banking conditions after such a change in status.

Each fee listed in the Bank's list of conditions is automatically adjusted once a year, effective March 1st of each year, by the annual average consumer price index (inflation) for the previous calendar year, as published by the Hungarian Central Statistical Office (HCSO) on its website. The Bank is entitled to apply, for business policy reasons, fee rates that are more favorable to the customer, notwithstanding to the automatic fee change. The Bank shall inform its customers of the fact of the change in charges and the revised level of the charges concerned by means of a notice and a list of conditions published on its website and in its branches at least 15 days before the change comes into effect.

The charges, fees and commissions of the Premium Banking Basis and Assistance package not listed herein and the payment dates for such fees are set out in the prevailing Retail List of Conditions Bonus Account Package conditions.

The following constitute inseparable annexes to the List of Conditions, as amended from time to time:

Annex 1: Payments Turnover and Performance Procedures  
Annex 2: Fees for Other Services  
Annex 3: Debit Card List of Conditions for retail clients  
Annex 4: Electronic Services List of Conditions for retail clients  
Annex 7: Conditions for Postal Services
