⁵ If a Client is entitled, as documented in their declaration submitted to the Bank, to free cash withdrawals under the law (Footnote 4), the ATM fee discount provided for in the account package will not apply in the relevant month.

⁶ The definition of transfer also includes official transfers and the execution of collection orders (collection order based on letter of authorisation, collection on promissory note), on which the Bank will charge a fee dependent on the channel in which the order is submitted (electronically, or on paper not using the original form). If a Retail Personal Loan, a Retail General-Purpose Mortgage Loan or a Housing Loan had been requested before 1 January 2013, the preferential terms granted under the Partner VDCS will remain unchanged after 1 January. The rates not included in these Special Conditions and the standard (non-promotional) conditions of the promotional rates shall be governed by the Bonus account package fee information in UniCredit Bank's Retail List of Conditions for the Bonus account package, the conditions in UniCredit Bank's Retail List of Conditions for FX bank account management in the case of currency accounts, and, for overdraft facilities and personal loans, the conditions set out in the Announcement on loans granted to private individuals and not secured with real estate (Announcement on Loans without Real Estate Collateral). Mortgage loans are subject to the conditions set out in the documents "The conditions for loans extended by UniCredit Bank Hungary Zrt. to private individuals – Mortgage loans" and "The conditions for loans extended by UniCredit Bank Hungary Zrt. to private individuals – Subsidised mortgage loans". The due dates of fees are set out in UniCredit Bank's Retail List of Conditions; regarding overdraft facilities and personal loans, this information is provided in its Announcement on Loans without Real Estate Collateral and, regarding mortgage loans, in the documents "The conditions for loans extended by UniCredit Bank Hungary Zrt. to private individuals – Mortgage loans" and "The conditions for loans extended by UniCredit Bank Hungary Zrt. to private individuals – Subsidised mortgage loans".

APR is calculated solely with reference to the legal regulations in effect (Government Decree No. 83/2010 (III.25.) on the definition, calculation and publication of the annual percentage rate); the rate may change if the conditions change (where the rate is tied to a reference rate, this includes any changes in that reference rate). For loans / credits with variable interest rates, the value of the APR rate does not reflect the interest rate risk of the credit / loan.

Features associated with the calculation of APR but herein not specified are set out, for overdraft facilities and personal loans, in the Announcement on loans to private individuals without real estate collateral (Announcement on Loans without Real Estate Collateral) and, regarding mortgage loans with zero initial charges, in the announcements "The conditions for loans extended by UniCredit Bank Hungary Zrt. to private individuals – Mortgage loans" and "The conditions for loans extended by UniCredit Bank Hungary Zrt. to private individuals – Subsidised mortgage loans".

Cash withdrawal free of charge is offered primarily at ATMs and will be discontinued at branch cash desks after 31 December 2014; even until that date, only Clients who did not have a bank card on the bank account stated in their declaration prior to 22.11.2013 may do so.
