Every month one time deposit can be initiated in the Programme. The earliest possible starting date of the time deposit order in respect of the Savings Deposit Account is the business day following the issue of the order. If the standing order for transfers is given from a foreign currency account, the earliest possible starting date of the time deposit order is the third business day following the issue of the order.

In the case of a deposit tied up on the Savings Deposit Account, the deposit period shall be subject to interest corresponding to the central bank base rate valid on the day of tying up the deposit (the accounting date) minus 0.95%*.

Where the customer, starting any time during the period of the Bank's special offer from 14 April 2014 until its withdrawal, continuously transfers a minimum of HUF 5,000 but a maximum of HUF 50,000 every month to his/her Savings Deposit Account, he/she shall be entitled to an annual interest rate premium of 2% for the amounts transferred in this way, which means annual 2,40% (EBKM 2,41%-2,43%) . During the special offer, the Customer is entitled to the interest rate premium on one occasion and its amount is credited to the Customer's Savings Deposit Account subsequently, subject to meeting the condition, on the 30th day following the transfer in the 6th month.**

The deposit determined in section II.2 may only be used within the framework of the Regular Savings Programme with Deposits. The minimum amount of time deposits will be HUF 5,000. The amount of the time deposit and the amount of the interest paid will be tied up automatically at the end of deposit periods.

*Currently $1,35\% - 0,95\% = 0,40\%$ (EBKM: 0,40%).

The central bank base rate applicable at all times is available at the www.mnb.hu website.

** If the 30th day is holiday or rest-day, then the day before.

Day of publication: 1 February 2016. Day of promulgation: 2 February 2016. Valid until the promulgation of the next Announcement B-16/02.
