Special offers of fee reimbursement

The fees for the statement of mortgage lending value, the unilateral statement of recognising a debt issued under the loan and mortgage agreements, and 2 certified notarial copies (notarial deeds) must be paid on the spot at the time when the relevant document is issued. The Bank will credit the fee for the statement of the Mortgage Lending Value for one residential property and the fee of the notarial deed to the customer's bank account specified in the Loan Agreement within 90 days following the disbursement upon demonstration of the invoice issued for the name of the bank. The condition for the reimbursement of the fee for the statement of Mortgage Lending Value is that the invoice for the preparation of value estimation must be issued to the name of the Bank (UniCredit Bank Zrt. 1054 Budapest, Szabadság tér 5-6.), and the exact address and lot number of the property must be indicated on the invoice. The condition for the reimbursement of the notarial deed's fee is that the invoice for the preparation of the fee must be issued to the name of the Bank (UniCredit Bank Zrt. 1054 Budapest, Szabadság tér 5-6.). The invoice must also show the number of the notarial deed (case number) and the registration number of the loan. If the contract is amended for any reason, the bank will not reimburse the customer for the costs of preparing a notarial deed. This promotional offer is valid until withdrawn.

Definition of the Annual Percentage Rate (APR):

The Annual Percentage Rate (APR) is determined on the basis of the current conditions (in the case of a promotion, even for the period the promotion applies to, the regular interest published by the bank for the given loan type at the time of the publication) and in compliance with the effective legal regulations, i.e. Government Decree No. 83/2010 (III.25) on the definition, calculation and announcement of the Annual Percentage Rate. The APR can be modified if conditions change (in the case of a reference rate-linked interest rate, a change in the reference rate also qualifies as a change in conditions). The APR does not reflect the interest rate risk of the loan.

The value of the APR is calculated on the basis of a credit limit of HUF 375,000 in the case of UniCredit Narancs (Orange) and UniCredit Kék (Blue) credit cards, HUF 750,000 in the case of UniCredit Arany (Gold) credit cards and HUF 1,000,000 in the case of UniCredit Platina (Platinum) credit cards.

1 A company group is defined as a company that has a VDCS Cooperation Agreement in place with UniCredit Bank Hungary, a company that has a majority ownership in this company, any other companies in which the company that is party to the Cooperation Agreement has a direct majority ownership, and those companies who are in the majority ownership directly or indirectly of the same company that has a direct or indirect majority shareholding in the company that is party to the Cooperation Agreement.

2 Including employees whose probation period has not expired yet.

3 VDCS is a Hungarian acronym for Company Employees Package.

4 If the amount to be converted reaches EUR 10,000 or an equivalent amount in a different foreign currency, the conversion will be carried out when the necessary spot agreement has been signed ("Framework agreement for spot foreign exchange conversion") and through UniCredit Bank Treasury Sales; the margin applied will be HUF 0.5 (HUF 0.2 if the amount exceeds EUR 100,000). In the course of a foreign exchange spot conversion transaction described above, the amount to be converted must be available on the current account as described in the framework agreement, and if it relates to the draw down of a loan, UniCredit Bank RM's permit must also be presented.

In the case of UniCredit Bank Hungary Zrt.'s employees, the conversion discounts specified in this VDCS TOP List of Conditions will only be available for the customers (i.e. the employees).
