All fees and costs will be charged in the currency of the debited account. If the currency of the charged fees is different from that of the debited account, all charges will be debited on the basis of the foreign exchange rates for enterprises and business organisations currently in force at the Bank.

V1: Fee calculation method: the 0,1% of the total value of settled transactions, in case of Deposit card the total value of cash deposits occurred with the bankcard during the 12-month period prior due date. The amount above is the minimum amount, which is not charged by the Bank during the promotion period. The promotion period is valid until recalled

V2: The fee is due in the month of expiry, in the same month the first card have been issued, in case a new bankcard is issued during the year (instead of the expiry of the previous bankcard). The due date of membership fee is the first working day following the month of expiry per year, if there was no new card issued during the year.

V4: The fee of the transaction means no exemption from the booking fee.

V5: The daily limits can be modified (Deposit card excluded) after application according to the relevant provisions of Bank Card Terms and conditions and the List of Conditions.. The limit amount has to be divided by 50.000 HUF. Daily internet purchase limit defines the maximum daily amount of purchase transactions made on the internet, through virtual terminal.

V6: Above the HUF 500.000 ATM daily limit the applicable limit period is maximum 1 week and based on Bank's individual decision. The limit will be set after 2 days from the application in the system.

V7: Standard value – the account holder can define different value. ATM cash deposit transactions are not included in Daily frequency usage limit.

V8: Visa Business and Visa Business Gold card products are not issued by the Bank from 1st March 2021. VISA International (VISA) imposes the International Service Assessment fee after all transaction made with bankcards bearing VISA logo - in currency other than VISA settlement currency - outside VISA EU region. The rate of the fee is 1% of the value of the transaction according to the current VISA Operation Regulation.

V10 Service is available on appropriate UniCredit ATM's

V11 Service provided on ATM of UniCredit.

V12 In case of application for PIN code reproduction concerning Visa bank card issued before 16th of November 2015, the Bank shall issue a replacement bank card with a new PIN code charging the fee of PIN code reproduction.

V13 Limit for contactless transaction defined by International Card Organisation, and cannot be changed by the client. Since the application of increased limit depends on the date of adjustment executed by the acquirers on the given POS terminal, PIN based authentication might be required in case of some transactions above HUF 5,000 before 15th April 2020. Under HUF

15,000 limit amount PIN code validation is necessary after every fifth consecutive transaction executed under limit amount, if there wasn't any other PIN code validated transaction in the meantime.

V15 Internet Security Code (ISC) service: a service which is available to make purchase transactions executed with card via Internet more secure and allows the identification of the Card Holder on a higher security level. A secret string (security element) variable from transaction to transaction sent to the recipient of the service to the mobile telephone number (Notification number), which is stored as basic data of the Card Holder and can be modified in the registration system. Internet Security Code is being sent if a Card Holder uses his/her card registered for the service for a purchase transaction via Internet and during the card acceptance the Point of Acceptance uses the authentication method based on the Internet Security Code service on its virtual platform. The Internet Security Code service is automatically activated for cards applied from 15th January 2018.

On 1st April 2019 between 16:30 and 19:30 the Bank will activate the Internet Security Code service for those cards which are active or issued but not yet activated and not enrolled in the service.

V16: The emergency card replacement service is terminated for Mastercard bankcards due to the changes of Mastercard card company rules from 1st September 2019.

B1: The travel insurance service provider is Allianz Hungária Zrt. In the case of optional travel insurance, the conditions of the travel insurance will be part of the "Customer Information and Terms and Conditions" which, in the case of certain bank cards to which free integrated travel insurance is linked, will be handed over to the bank card holder when the bank card contract is concluded. In the case of optional travel insurance, the "Customer Information and Terms and Conditions" will be provided to the bank card holder requesting the insurance when applying for the bank card. Travel insurance is only valid for bank cards with an active status.

B2: SPORT can be taken out as additional insurance for:

- credit card holders with built-in or optional travel insurance;
- family members with extra travel insurance.

The Bank increases each and every fee or commission specified in the List of Conditions once a year, according to the Central Statistical Office's (KSH) average inflation rate published for preceding year of the publication of the relevant List of Conditions. The Bank can differ the level of correction in favour of the Customer.

Present List of Conditions is an inseparable part of the General Business Conditions and the Bankcard Business Regulations.
