UniCredit is proud to announce that it has been officially certified by the Top Employers Institute for its exceptional employee offerings, reaffirming its status as great place to work.

The annual, international research undertaken by the Top Employers Institute recognises leading employers around the world: those that provide excellent employee conditions, nurture and develop talent throughout all levels of the organisation and strive to continuously optimise employment practices.

The European level Top Employers Certification was awarded thanks to the local Certification achieved in Bulgaria, Croatia, Germany, Italy and Russia.

The Top Employers Certification is based on a thorough research process and a set of required standards. All answers were independently audited, verifying UniCredit's outstanding employee conditions and earned the bank a coveted spot among a choice group of certified Top Employers.

The Top Employers Institute assessed UniCredit's employee offerings on the following criteria:

- Talent Strategy
- Workforce Planning
- On-Boarding
- Learning & Development
- Performance Management
- Leadership Development
